

Mobile Museum

C R E A T E . I M A G I N E . E X P L O R E . P L A Y

Let us bring the Museum expERIENCE to you!

Through our Mobile Museum, we can bring STEAM experiences to your site in a variety of ways. We offer small literacy-based group activities for up to 75 students at your site. In addition, we offer larger scale, hands on engagements for kids and families. Science fairs, community festivals, and after school events are just some of the places we have been and will continue to go.

Rates: \$120.00 initial hour, \$60.00 each additional hour

\$0.55 per mile for locations beyond 10 miles from museum

For more information : Julie Boam—Julie@eriechildrensmuseum.org

Rigamagig! - A collection of wooden planks, wheels, pulleys, nuts, bolts and rope allows children to follow their curiosity through PLAY while learning 21st century skills. There are no right or wrong answers; the act of playing and building is the goal, not the finished product.

Explore Science: Earth & Space 2018 toolkits—In collaboration with NASA, the NISE Network has assembled a new set of engaging, hands-on Earth and space science experiences with connections to science, technology, and society

Engineering as Elementary toolkits—Choose from a variety of units with fun, hands-on engineering design challenges based on real events around the world. *Coming Fall of*
