

Mobile Museum

C R E A T E . E X P L O R E . I M A G I N E . P L A Y !

Let us bring the museum expERIENCE to you!

Through our Mobile Museum, we can bring engaging STEAM experiences directly to your site.

For more information on hands-on fun: contact:

814-453-3743

Breanne Daugherty-breanne@eriechildrensmuseum.org

School Programming:

Science Explorers: (Kindergarten—Grade 2) Make color-changing slime with ultraviolet light, watch exothermic chemical reactions while creating matter monsters, explore chromatography through tie dye art, and more!
\$15 per student per lesson, plus travel

School Programming:

Engineering Adventures: Choose from a variety of units with fun, hands-on engineering design challenges based on real events around the world. Learn what it takes to become acoustic engineers, aeronautical engineers, recycled materials engineers, aerospace engineers and more through hands-on engineering challenges.

\$300 6 week program, plus travel

School & Community Events:

Mobile Exhibits—Choose from 6 mobile STEAM exhibits that replicate large scale exhibits at the museum. Exhibits include a flight lab, makers space, chalk spinners, light lab, marble wall, and Rig-a-ma-jig.

\$250 initial hour of programming, \$100 each additional hour or exhibit, plus travel

We bring the museum to you!
