Through our Mobile Museum, we can bring engaging STEAM experiences directly to your site.

For more information on hands-on fun contact:
Ashley Maas | ashley@eriechildrensmuseum.org

**School Programming**

**Science Explorers:**
(Grade 1 through Grade 2)
Make color-changing slime with ultraviolet light, watch exothermic chemical reactions while creating matter monsters, explore chromatography through tie dye art, and more!

$15 - $25 per student per lesson, plus travel

**School Programming**

**Engineering Adventures:**
(Grade 3 through Grade 5)
Choose from a variety of units with fun, hands-on engineering design challenges based on real events around the world. Learn what it takes to become acoustic engineers, aeronautical engineers, recycled materials engineers, aerospace engineers and more through hands-on engineering challenges.

$500 - 6 week program, plus travel

**School & Community Events:**

**Mobile Exhibits:**
Choose from 6 mobile STEAM exhibits.
Exhibits include a flight lab, makers space, chalk spinners, light lab, marble wall, and Rig-a-ma-jig Jr.

$250 initial hour of programming, $100 each additional hour or exhibit, plus travel
